
Binksetmixbins@16.dll [HOT]

March 21, 2012 - I'm running GTA Vice City and it says that _binksetmixbins@16 cannot be found in the binkw32.dll dynamic link. I have tried everything I can think of. I tried to change the type from binkw32.lib to binkw32.dll but I couldn't do it. I also tried many things on the internet but couldn't solve it. I've been having a problem with this for about a month now and would appreciate some help. Here is the full link: <http://www.cnet.com/news/latest-cnet-news-overview-succeed-over-the-vice-city-update/> (You can see the video I made about it below. ~ 5 minutes)
Update: Unfortunately, I don't know what to do at the moment.
